Subject: CFAC Transition

Hi Joe,

I let Cynthia know that it sounded like transitioning Robert onto the CFAC site is fine with you. She's sharing with Mark and Mike that given her work schedule with the GKM and the larger site itself that it's just not possible for her to give the CFAC site the attention it requires at this time and has asked that another CIC support the site. Do you want to speak with Robert or should we just reach out? I think he'll do great.

Thanks, Libby
